

Trinidad, Cuba (Weisenbach, 2016)

In Activities 4 and 5 you will:

- identify Cuban music genres, instruments, and rhythmic cells
- read about influence of African culture in Cuban music
- listen to Gloria Estefan and note how she incorporates the rhythm of Cuban life into her music

Activity 4.1:

Go to *All Around This World* Lesson 1: Latin American Genres of Music, and identify genres of Cuban music.

<https://www.allaroundthisworld.com/learn/latin-america/kinds-of-latin-music/> .

Read, listen and watch examples of the following genres. Note your observations and reactions to the music below. What impresses you? Which genres are your favorites? Which song is your favorite in each section?

bolero
